The new steamer that was originally built for this route is now ready for sea, and had we kept good faith with her owners she would undoubtedly be put on this route. But owing to the financial embarrassment of this company, partly due to the action of people of this section, she has gone into the control of other hands, her name changed and she will seek employe nnt elsewhere. It is plain to be seen from these facts who is will seek employe ant elsewhere. It is plain to be seen from these facts who is to blame for the present state of things, and we hope that our people will profit by this lesson. The next time a company makes a similar proposition and you goe to it, don't wait till you see that they are in earnest and then persuade some one else there is a big bonanzs in the scheme, and thereby lose the very thing you really want.
